

Guide to College and Career Planning

When you start to plan the future, it's important to ask yourself these questions:

- Who am I?**
- What are my interests?**
- What is my personality type?**

To help you answer these questions, we've prepared a list of websites for you to visit:

- **www.mvhigh.net** You will find: college searches, a self-assessment survey, a career cluster assessment, a resume writer, etc. Go to: **Academics**-click on **Career Center**-then, click on **COIN Career Library**. You'll see that the **site ID** is **LCA15169** and the **login** is **mvhs**. Click through to **Login: COIN Career Library** and use the ID and login information. This site is paid for by the District.
 - **www.uhs.berkeley.edu** Go to: Students-click on Career Counseling Library.
 - **www.dvc.edu** Go to: About DVC-click on Site Index (upper right corner)-scroll down to Vocational education. Take the Occupation Interest Survey.
 - **www.lifecolorsonline.com** Take the free assessment. Click on Life Colors Lite.
- What should I major in? What career would I like?**
- **www.mvhigh.net** After doing the assessment, again go to **Academics**, click **Career Center**, then check out **Choosing a Major/Career**.
 - **www.collegeboard.com** Go to: For Students-click on Careers and Majors.
 - **www.bridge-rayn.org/Cgood.html** This site covers everything! It is an online Career Center.
 - **www.uncwil.edu** This site has good information on career planning. Go to: Current Students-find Student Services-click on Career Services-click on Self-Assessments.
 - **www.jobstar.org** This site offers online career tests, resume help, and job help.
 - **www.review.com** The Princeton Review's website. Do an online school match; take a career quiz, learn about majors that are best for you.
 - **www.collegeview.com** College searches; info about careers, majors, and financial aid
 - **www.cyberguidance.net** This site is an online guidance office. Conduct college searches and assessments. Find out job information.
 - **www.acinet.org** Website of America's Career Information Network. Can find trends, employment outlook, etc.
 - **http://www.labormarketinfo.edd.ca.gov** Website of California's Labor Market Info. Can find Occupational Outlook Guides and job descriptions.
- Which college is right for me?**

The following websites have college searches, information on majors, virtual tours, rankings, and general comprehensive college information:

- **www.cavhs.org** This site has free SAT and ACT tutorials.
- **www.csumentor.edu** Website of the California State University system.
- **www.ucop.edu/pathways** Website of the University of California system.
- **www.aiccu.edu** Website of the California Independent Colleges and Universities
- **www.newsdirectory.com/college.php** A quick way to locate and look-up colleges.
- **www.petersons.com**
- **www.bestschoolsusa.com**
- **www.CAcollegeguide.com**
- **www.campustours.com**
- **www.usnews.com** Go to: Education
