

"CURIOSITY UNLEASHED"

After School

We Welcome Everyone!

Sponsored by the **PTSA**

The DVMS After School STEM Club is back! We are registering students in 6th to 8th grades, and are **looking for adult volunteers** to act as coaches. No experience is necessary! The STEM Club will meet Wednesdays after school from 2-3pm in the MPR.

Our goal is to have a 1:10 adult/student ratio, so we really need the support of parents and teachers to make this club a success! Students will be enrolled on a first-come-first-served basis, but if you are a Volunteer Parent, your child is guaranteed a spot in the club!

The club will launch **February 7, 2018** and will **end May 23rd**. For insurance purposes, we cannot accept drop-in participants. All participants must complete the registration package (this form and the PTSA General Waiver and Photo Waiver. If the forms were completed at registration, you do not need to do it again). You can also register online at the PTSA webstore at <http://dvmsptsa-org.3dcartstores.com>. We request a voluntary donation of \$50 for each student, to help cover the cost of the materials and equipment being used.

Questions? Please contact Reg Yang at reginyang08@gmail.com or Tom Glynn at goldenglynns@gmail.com.

DVMS After School STEM Club Sign-Up Form

Name of Student(s) (Last, First) _____

Parent E-mail _____
